RAKI – Anise flavored aperitif produce by twice distilling suma grapes in traditional copper alembics. In Turkey, raki is the unofficial 'national drink', traditionally drunk mixed with water; the dilution causes this alcoholic drink to turn a milky-white color, and possibly because of its color, is popularly called aslan sütü, literally meaning "lion's milk"

| | | Glass 30ml. | Double 60 ml. | 250ml. carafe | 350ml. ½ bottle | 700ml. bottle |
|---|---|--------------------------|------------------|------------------|--------------------|------------------|
